

The Hour of the Overflow

Prophetic word delivered by
Pastor Carl R. Turner, March 9, 2005
7:00pm

This is a very peculiar time that God has ordered, and only the righteous shall see God and know that He is at work in the earth, in this hour saith the Spirit of God. For this outpouring will far exceed any that has been recorded in the Word. It will be a peculiar anointing that will set dope feigns free that didn't even think that they could be loosed, that will cause alcoholics to put the bottle down when they were going to look for another drink saith the Spirit of God.

For this is the hour that I will shake the lukewarm church, the church of Laodicea, and bring them to a place of repentance, and they will fall down and cry out to me and return unto me saith the Spirit of God. For what I could not do in the book of Acts, I'll do now saith the Spirit of God. And I will restore all things and make all things new in this hour. For I've found me a people that I can use, I have found me a people that I can manifest myself to, I have found me a people that I can flow through that will bring glory to me in the earth.

Oh yes, saith the Lord, this is the hour of the overflow and you are the chosen ones that I will flow through. So, get up and get ready, whether you want it or like it or not. This is my decision, and not yours. This is my call and not yours. This is my charge and not yours. This is my idea; you don't have anything to do with it. Get yourself in a posture to receive, because the hour and the time have hit this earth, and I can't hold back any longer. I will not hold back any longer. For you will see me began to explode and manifest myself with great glory and great power like you've never seen before, like it's never been recorded in my Word before saith the Lord.

I want to say to you tonight that the land in which we have dwelt in has been like unto the land of Caanan for the Child of God. And that's apart of what your struggle has been about, but God said to say to you tonight, that He's going to manifest himself in Caanan, because Caanan has been like unto a famine to you, and Isaac sowed in famine, and he reaped a hundred-fold in that same year.

So God is saying, though you are in Caanan, I will move in Caanan not only to pour out the Overflow, and bring forth the manifestation of this season and time that I have ordained to hit planet Earth, but I'm gonna use this time and this outpouring and this overflow to deliver and set free and bring into the Kingdom, Pharoah.

Because there will be such a move and such a manifestation of His power and of His glory, that they're not gonna be able to ignore us any more! They have ignored us long enough and they're not gonna be able to ignore us any more! And they're gonna begin to say, "Who is this man that declares that Jesus can open the blinded eyes?" "Who is this woman that declares that Jesus can heal lame legs?" "Who is this man that declares that Jesus can cleanse the leper?" "Who is this woman that declares that the Lord can heal those that have cancer?"

They are not gonna be able to ignore us, and there is gonna come a rush upon the Child of God. God is sending a rush to the Church! And let me tell you what that rush is gonna do, that rush is gonna induce boldness in you. And the boldness is gonna cause you to start going to the hospital and getting people out of sick beds. I say the rush is gonna cause you to begin to boldly declare the Word over there on your job, and get some of them folk born again! This rush is gonna bring an infilling that's going to induce in you a place of boldness that will cause you to stop being a wimp, that's gonna cause you to stop being lackadaisical, that's gonna stop you from being complacent, but now, you are going to open your mouth with authority and fire is going to come forth out of you, that's going to completely set the captives free.
